

## Post and Track Stands

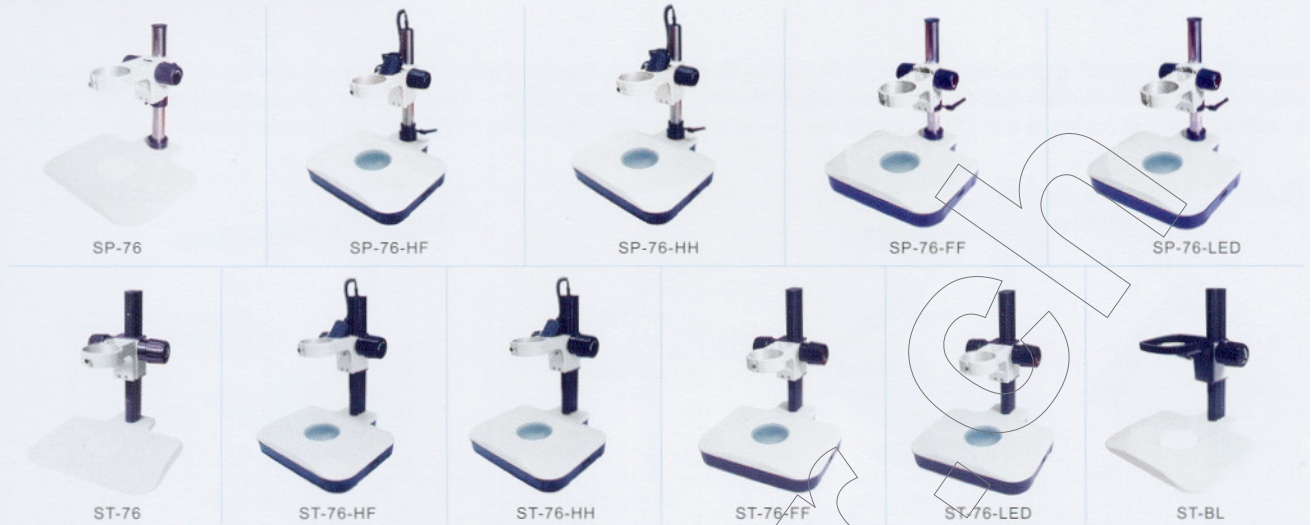

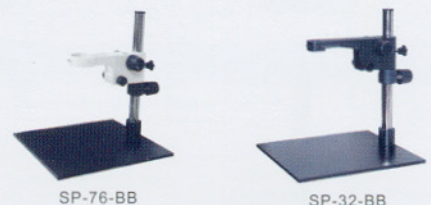

Table top stands for microscopes	
<b>SP-76</b>	Post stand with 76mm microscope holder. Fits SSZ and FS Series
<b>SP-76-HF</b>	Dual illuminated post stand (top halogen, bottom fluorescent) , 32mm post, 76mm rack and pinion focus rack
<b>SP-76-HH</b>	Dual illuminated post stand (top halogen spot bottom halogen) , 32mm post, 76mm rack and pinion focus rack
<b>SP-76-FF</b>	Dual illuminated post stand (top fluorescent ring, bottom fluorescent) , 32mm post, 76mm rack and pinion focus rack
<b>SP-76-LED</b>	Dual illuminated post stand (top LED ring, bottom LED) , 32mm post, 76mm rack and pinion focus rack
<b>ST-76</b>	Track stand with 76mm microscope holder. 7.5" of vertical travel. Fits SSZ and FS series
<b>ST-76-HF</b>	Dual illuminated track stand (top halogen, bottom fluorescent) , 76mm focus rack
<b>ST-76-HH</b>	Dual illuminated track stand (top halogen spot, bottom halogen) , 76mm focus rack
<b>ST-76-FF</b>	Dual illuminated track stand (top fluorescent ring, bottom fluorescent) , 76mm focus rack
<b>ST-76-LED</b>	Dual illuminated track stand (top LED ring, bottom LED) , 76mm focus rack
<b>ST-BL</b>	Track stand with B&L microscope holder. 7.5" of vertical travel
<b>SA-MB</b>	Mirror base for SP-76, ST-76 and ST-BL

## Big base post stand

Post stands with 15" x 15" base and 15" vertical post. Coarse and Fine focus holder. Excellent option for measurement applications or inspection where a vertical position is desired

Big base post stands	
<b>SP-76-BB</b>	Big base post stand with 76mm microscope coarse/fine focus rack. Fits SSZ and FS Series microscope
<b>SP-32-BB</b>	Big base post stand with 32mm microscope coarse/fine focus rack. Fits Micro Zoom Lens

## XY Gliding Table

**Simplify your inspection process**

XY gliding table offers you a "hands-free" inspection process. Place sample on table and move in X,Y or both axis simultaneously. Electromechanical construction allows the table to lock and various locations. Great addition to any inspection system.  
14" x 12" platform 10" x 11" travel distance.

XY Gliding Table	
<b>AA-98-XY</b>	XY Gliding table. 10" x 11" travel. Electro-Mechanical

XY Gliding Table
